Add Bills

We'll find your current bills. Pick the ones you want to pay.

☐ **Bills from our biller network**

If you select this box, we'll see if your profile matches any bills we already have.

- You'll choose bills from companies in our service provider's network.
- We'll use the bill info to make it easier for you to add them.

☐ **Your credit report**

If you select this box, you're consenting to our service provider accessing your consumer credit report from a credit bureau to help you add your bills.

- The report won't have your credit score.
- Accessing it won't impact your score.
- Your info won't be shared and will only be used to find the bills you pay.
